

SIMEC AquaFish

المعرض السعودي الدولي للثروة السمكية
Saudi International Marine Exhibition
Second Edition

04 - 06 June 2023
Dhahran Expo - Saudi Arabia

Post Report 2023

Exhibition Objectives

The first ever specialized exhibition in Saudi Arabia focusing on fisheries, aquaculture and related maritime activities and industries.

Ideal platform for B2B talks and commercial agreements between importers and exporters of live, chilled and frozen seafood products.

Showcase modern technologies and cutting -edge global industries in fisheries with the aim of utilizing and localizing

Promote foreign investment and local investment opportunities in aquaculture

Networking with the key investors and decision makers in in the fields of fisheries, aquaculture, seafood and processing.

Unique opportunity for establishing effective partnerships with the sector's leading local and international companies, key players and networking with industry experts and professionals.

Unmatched connection point between the National Livestock and Fisheries Development Program (NLFDP) and private sector partners.

Under the auspices of His Royal Highness Prince Saud bin Naif bin Abdulaziz Al Saud, Governor of the Eastern Province, and His Excellency Eng. Abdul Rahman bin Abdul Mohsen Al-Fadhli, Minister of Environment, Water and Agriculture, the Saudi International Marine Exhibition, has been opened in Dhahran Expo from June 4th until 6th - 2023.
